

# Fruity Melon's Workshop

Designs by Lori Dickman©

## Items to purchase from Lori at the workshop:

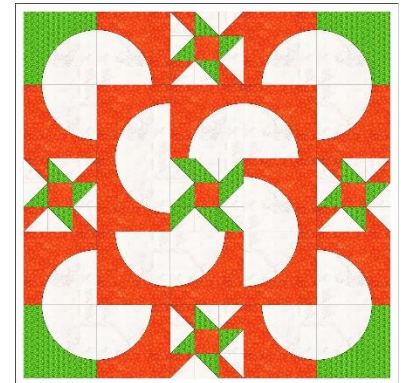

1. **Fruity Melon Pattern \$6.00** (Lori will bring the patterns & the templates to workshop)
2. **Large Drunkards Path Acrylic Template \$15** (Retails \$19.95) – Fruity Melons pattern does include paper template. Students who do not purchase DP template will need to create the DP template using Freezer Paper; bring along supplies for that purpose (i.e. paper scissors, Freezer Paper, marking pencil, etc.)

## Supplies to bring to workshop:

- ❖ **Square-up Ruler** (Fiskars 4.5" ruler is great for this workshop; however other square-up rulers will work as well, as long as your ruler can square-up 3.5" squares and 4" squares)
- ❖ **Sewing Machine, cords, extension cords**
- ❖ **Sewing kit:** Piecing thread, extra machine needles, fabric scissors, paper scissors)
- ❖ **Template plastic or Freezer Paper** to trace templates (**ONLY IF YOU DON'T PURCHASE DRUNKARD'S PATH ACRYLIC TEMPLATE**)
- ❖ **Tracing pen or pencil** (will use on fabric for HST technique)
- ❖ **Rotary Mat, rotary cutter and new blades, various Rotary rulers** for cutting WOF and smaller pieces... 5" or 6.5" work fine.
- ❖ **Irons/iron boards:** usually provided by Guild Program chair at workshop location, but good to have extra.
