CLASS INFORMATION

Class name:	Bargello Quilts
Description:	<p>Bargello quilts are a colorful and attractive quilt which is made by joining a variety of fabric strips of to create a tapestry look quilt. This is the great quilt for those just learning to quilt. The method uses only straight seams; this means you do not have to be an experienced sewer to make a bargello quilt yourself.</p> <p>Even experienced quilters can have fun making this quilt - all you need is a personal sense of color to combine together that work in a striking pattern for your art work.</p>
